PT BUMI DUA PUTRA

Company Overview

PT Bumi Dua Putra is a trusted Indonesian export company specializing in the trade of premium-grade cloves. Strategically located in Tangerang, Indonesia, we are at the heart of the nation's spice trade network, giving us direct access to Indonesia's finest clove-producing regions including Sulawesi, Maluku, and North Sumatra.

Backed by a team with extensive experience in agriculture and international trade, we are committed to delivering high-quality, sustainably sourced cloves to clients across the globe.

PT BUMI DUA PUTRA

Our Product

We offer a range of clove products that are carefully harvested, sun-dried, and sorted to ensure top quality.

All our products are tested for moisture content, oil content, and purity before export. We can provide phytosanitary certificates, and other necessary export documentation.

PT BUMI DUA PUTRA

Production Process

● **Harvesting :**

Cloves are handpicked when the buds are still fresh and red

● **Drying :**

The buds are sun-dried for 3-7 days until moisture content reduces to 12% (Grade A).

● **Sorting :**

After drying, cloves are sorted based on size and quality

● **Packaging :**

Cloves are packed in jute bags of 50 kg
